## Theme: How Does your Garden Grow?

### Summer Term Week 6

# JIGSAW The mindful approach to PSHE

Explain to children that they will soon be moving to a new class and that they may be feeling some of the emotions they have just acted out. Read the suggested story or one similar about having worries and that the best thing to do is to share them. Tell the children that it is only natural to be feeling lots of different emotions.

**Questions:** What are you excited about? Are you nervous about anything? Are you scared about anything?

Watch the clip and listen to the story  
'The huge bag of worries.'

<https://www.youtube.com/watch?v=qBcakxX9LTM>

# English lesson 1

Watch the re-telling of the book named 'Seed to Sunflower' by Camilla de la Bedoyere.

<https://www.youtube.com/watch?v=qffHEITGNDg>

Discuss with your adult - is the book fact or fiction? How do you know this? What are the clues that help us to determine this?

# English lesson 2

We need to write a set of instructions on how to grow a sunflower. Read the instructions below and then write them out. Can you fill in the missing words to complete the sentences?

You will need:

Sunflower \_\_\_\_\_

A plant pot  
\_\_\_\_\_

Water

1. Get the plant pot and soil.
2. Fill half the \_\_\_\_\_ pot with soil.
3. Add some \_\_\_\_\_ to the soil.
4. Put some soil on top of the seeds.
5. Water \_\_\_\_\_ seeds.
6. Put the plant \_\_\_\_\_ in the \_\_\_\_\_
7. Water the seeds every day.

**Word bank: you may use the words more than once.**

Seeds   the   soil   pot   sunlight   plant

# English lesson 3

Read the questions below. Are they true or false?

1. Do sunflowers start as a seed?
2. Can sunflowers grow tall?
3. Will sunflowers grow in the dark?

Now write your own true or false question about sunflowers.

# English lesson 4

Read the words on the coins. Are they real words or nonsense words?

Treasure Words

Fake Words

## English lesson 5

Watch the alphablocks video which looks at the 'igh' trigraph.

<https://www.bbc.co.uk/iplayer/episode/b01py5bs/alphablocks-series-3-16-tightrope>

Can you write a list of words that include the 'igh' trigraph?

Can you choose one word and write it in a sentence?

# Maths lesson 1

Ask a member of your family to give you a number between 1 and 20. Write the number in the middle column and then record the number that is 1 more or 1 less than. Or tell your grown up the answers.

Use the number line below if you need a little help.

one less	number	one more
←		→
←		→
←		→
←		→
←		→
←		→
←		→
←		→

# Maths lesson 2

Fill in the missing numbers  
If you are not able to print tell your grown  
up what the missing number is.

# Maths lesson 3

Fill in the missing numbers or tell your grown up the number sequence.

Cut out the squares and put them in the right order.

If you are not able to print you could point to each number in the correct order.

# Maths lesson 4

## Counting beyond 20

Can you count the chickens on the picture? Remember to say the next number as you point carefully to each chicken.

### **Parents/Guardians**

As your child counts please encourage them to point carefully to each chicken saying the next number as they touch the picture. When they count from 21-29 point out the pattern e.g. that they are counting 1-9 but with 20 in front.

Find some items in your house that you can count such as toys, pasta, buttons, packets, tins, sweets etc.

### **Parents/Guardians**

Try and find amounts of objects up to 30 for the children to count. Encourage them to touch count each item.

# Maths lesson 5

- Ask someone in your family to give you a number between 1 and 20. Start at that number and count to 30.
- Ask them to give you a different number between 1 and 20. Can you start at that number and count all the way up to 40?
- Ask them to give you a different number between 1 and 20. Can you count to 50?

## Counting and recognising numbers beyond 20

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50

Point to a number on the number mat and tell your grown up what the number is. Start with the top line and then challenge yourself to recognise numbers on each line.

# Topic lesson 1

Listen to the story

<https://www.youtube.com/watch?v=J0nBIRFLzJw>

## Topic lesson 2

# Which insects are attracted to sunflowers?

I am red with black spots. What am I?

I have beautiful, patterned wings. I used to crawl when I was young. What am I?

I like to buzz around and have a sting. What am I?

I am slimy, black and have no legs. What am I?

I have 8 legs and live in a web. What am I?
