

Marshland Primary Academy Coronavirus Update – 01.06.20

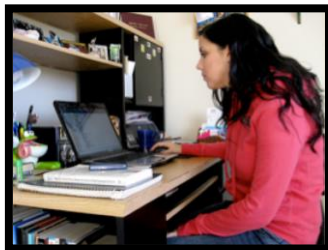

Reopening of the School:

We hope that you and your family are well, and you are managing to stay safe. Following the guidance from the Mayor of Doncaster about concerns about the well-being of staff and pupils at the school, I have decided not to extend the school's opening beyond keyworker children. We of course will review this situation regularly and inform you as soon as the situation changes.

Keyworker Children:

As the lockdown in England begins to ease, we are aware that some people may be required to go back to work. If you now require childcare and you are a keyworker, please contact the school office or email the school (see the details below) explaining why you now require childcare. We will get back to you as soon as possible.

Home Learning Packs

As we begin a new term, the teachers have prepared new Home learning Packs for the children in each year group. If you would like a paper copy of these packs, please contact the school office and we will prepare a pack for you to pick up at your own convenience.

ZOOM meetings

The teachers would like to encourage the children to see each other during the lock down. Therefore, we have organised Zoom meetings for each year group, where the children can talk about their activities at home and they will have the opportunity to speak to their friends. It is very simple to set up the Zoom app and is very easy to operate. This week you will receive a text giving you further details about the meeting. We hope your child can join us.

Twitter

We hope you are enjoying looking at the Twitter feed. On here you will find fun videos, activities and competitions. You can access or videos through our Twitter address @MarshlandPrima1 or from our website. We are always trying improve our Twitter posts – we would welcome any comments or suggestions.

Stay safe!
