

Dear Parents/Carer

As a school we have made the decision to purchase a PE kit for every child. We have made this decision for the following reasons:

- To support those parents who may be experiencing financial difficulties due to the unprecedented times
- To ensure all pupils are dressed the same and do not feel uncomfortable
- To encourage team spirit
- To ensure all children have a PE kit in school at all times
- To install pride in our school when representing it at sports events

This PE kit has been purchased from a local supermarket and all children will have their own sized kit.

The PE kit will be individually labelled for each child and will be stored in their own PE bag, provided by school, on their own coat peg. This kit will be washed regularly by the school using a non bio washing powder.

We would ask parents to provide socks and pumps/trainers that can be stored in school in the child's PE bag.

If your child has any allergies to washing powders or certain fabrics, please contact the school office as soon as possible.

Thank you for your continued support

Mrs L Tomlinson

At the heart of it all is the child
