

11<sup>th</sup> October 2020

Dear Parents and Carers,

### **Harvest Donations**

Harvest festival is here already and this year, more than ever we are aware that families and individuals in the Moorends community are relying on our donations of food and produce. If you are able to, please donate any food items by sending them into school with your child. We will be collecting items from Monday 12<sup>th</sup> October until Friday 16<sup>th</sup> October.

This year we will also be sharing some of our donations with Councillor Susan Durant who has been working extremely hard producing and delivering food parcels to those families in need during these difficult times. We will also be donating to the local food bank which continues to support the local community. We are sure that you will agree that they are both worthwhile causes.

In previous years we have been overwhelmed by your generosity and support. Many of you have brought fresh produce from your gardens and allotments to contribute to the food donations. Tinned, dried and fresh food are all welcome and appreciated.

Many thanks for your continued support.

Mrs Adamson
