

5th January 2021

Dear Parents and Carers

Myself and the leadership team have looked at the government guidance about the eligibility of children for a school place, taking into consideration many factors including safety and capacity.

The guidance states that vulnerable children and children of critical workers will be eligible for a school place:

- vulnerable children – the list is broad and we will contact eligible families today.
- children of critical workers – it does not state whether this should be one or both parents and therefore we will prioritise our families based on need and the capacity of the school. Please complete the survey below with as much information as possible.

Please can you complete this survey by 12noon for **each child in your house that attends Marshland Primary Academy**.

<https://docs.google.com/forms/d/1hUpBexwVcjaaTZASk9YQrT4li8WgdyTrWrXmFz3mC00/edit>

Once we have received the results we will text all parents to state either:

- We are able to offer your child a school place from tomorrow.
- Unfortunately, we are not able to offer your child a school place at present

We will organise learning schedules, including live learning though Zoom and work packs, today. We will require parents/carers to collect work packs from school but please wait until you receive a text to say these are ready.

Please use ml-admin@vennacademy.org for any correspondence for now.

Please can I remind parents and carers how essential it is that we have up to date contact information at all times.

Best wishes

Mrs L Tomlinson

Head of School

At the heart of it all is the child
