

**Marshland Primary Academy  
Remote and Learning  
WC 11.01.21**

Year 5

This sheet contains all the links your child will need to access remote learning during their time away from school. Each week your child will receive a combination of:  
**Live Learning** – provided through Zoom by the teacher, children will receive direct teaching. The teacher will teach the concept and the children will have an opportunity to try some questions before completing a task independently.  
**Remote learning** – The children will use resources, as specified by the teacher, to complete work independently at home.

For support you can:  
 1. Ask the teacher at the end of a Zoom live learning session  
 2. Email [ML-admin@vennacademy.org](mailto:ML-admin@vennacademy.org)

If you are struggling to get connected or have lost your passwords, we can help! Email [ML-admin@vennacademy.org](mailto:ML-admin@vennacademy.org)

**Additional learning throughout the week:**

**This week I have included additional activities linked to the history topic for your child to complete:**

- **Great Plague timeline**
- **Exploding buboes**
- **Make your own exploding buboe.**

**These resources can be completed at any time and will then be used by your child to create a presentation about the Plague in next week's learning.**

The children have been set tasks on Purple Mash which they can access and complete during the week. They save to their account and I can respond to their work and send a message.

Ensure they read every day – this is extra to the reading they do with me

TT Rockstars - use as often as they wish.

CGP text books: Your child can complete activities in these in between the live learning and activities set by me.
