This sheet contains all the links your child will need to access remote learning during their time away from school. Each week your child will receive a combination of:
Live Learning – provided through Zoom by the teacher, children will receive direct teaching. The teacher will teach the concept and the children will have an opportunity to try some questions before completing a task independently.
Remote learning – The children will use resources, as specified by the teacher, to complete work independently at home.

For support you can:
 1. Ask the teacher at the end of a Zoom live learning session
 2. Email ML-admin@vennacademy.org
