

**Marshland Primary Academy
Remote and Learning
WC 11.01.21**

Year 6

This sheet contains all the links your child will need to access remote learning during their time away from school. Each week your child will receive a combination of:
Live Learning – provided through Zoom by the teacher, children will receive direct teaching. The teacher will teach the concept and the children will have an opportunity to try some questions before completing a task independently.
Remote learning – The children will use resources, as specified by the teacher, to complete work independently at home.

For support you can:
 1. Ask the teacher at the end of a Zoom live learning session
 2. Email ML-admin@vennacademy.org

If you are struggling to get connected or have lost your passwords, we can help! Email ML-admin@vennacademy.org

If you have free school meals, parents can collect a food parcel from the school office.

Learning	English 9.15am Zoom Call	Maths 11.15am Zoom Call	Foundation Subjects 1.00pm Zoom call	Other Links / Resources
Monday 11.01.21	Shared reading – chapter 4 Pig Heart Reading comprehension: identifying arguments from the text	Maths – representing multiplying fractions	Geography.- (you will need the picture of the maps with steps to success and learning target. Additional learning throughout the week

Feel free to complete as much of your CGP learning books in all subjects. If you have questions, want help or feedback on pages you have tried alone without being set the pages please email or ask on Zoom.

Something fun is to go on [Scratch - Imagine, Program, Share \(mit.edu\)](https://scratch.mit.edu) this is a website that starts to teach you how to code your own games, videos and knowledge you need to even make your own apps later on! There are online videos on how to do this. If you want more help on this, ask on zoom or email and I can assist with this further. It is great fun and I would love you to share your creations with us.

Youtube drawing tutorials- these guides you through a lot of cool things to draw in easy step by step guides. Have a go these are great fun!

Creative task! Use any medium you have available (colours, paints or if you don't have access you can use [Sketchpad 5.1 - Draw, Create, Share!](#)) to explore the colours and shapes of your favourite Picasso painting.

Please take pictures and share your work on Twitter, upload to purple mash or email them!

Happy Learning!
