

# ATTENDANCE NEWSLETTER

No. 2

## NEWS

Our attendance has improved over the past week – we have gone up by 0.7% and our attendance from the start of September is now 49.9%. The attendance **just for last week** was 96.8% which is fantastic! Thank you for your support. If we keep this going, our overall attendance will be back up into the 96% range before we finish for the summer break.

## DATA

Class	This Week	Last Week	Red/ Amber/ Green
Foundation One	95%	79.8%	Amber
Foundation Two	100%	95.9%	Green
Year One	96.3%	93.1%	Green
Year Two	96.7%	98%	Green
Year Three	96.3%	91.4%	Green
Year Four	97.3%	97.6%	Green
Year Five	97.3%	95.9%	Green
Year Six	95.8	93.4%	Amber
TOTAL	96.8%	93.3%	Green

Red = below 90%, Amber = 90% to 96%, Green = above 96%

## THE WINNER!

Well done to children in Foundation Stage Two! They won the first weekly prize and really enjoyed cupcakes! Please see Twitter for more photos.

## ADVICE

Sleep is obviously very important and getting into good bedtime routines will help with attendance and punctuality. On the NHS website they offer these useful tips:-

- A warm (not hot) bath will help your child relax and get ready for sleep.
- Keeping lights dim encourages your child's body to produce the sleep hormone, melatonin.
- Once they're in bed, encourage your child to read quietly or listen to some relaxing music, or read a story together. (They shouldn't be watching/ playing anything with a screen)
- You could also suggest your child tries relaxing breathing ([relaxing breathing exercise](#)) before bed.
