

07.05.2021 Newsletter

Executive Headteacher: Mrs. S Hall

Head of School: Mrs L Tomlinson

Dear Parents,

We hope you all had an enjoyable Bank Holiday weekend. It has been great to speak to many of you during the second parents' evening. We hope you have welcomed the opportunity to hear about your child's progress and you had a chance to ask your child's teacher any questions.

Marshland Community Shop

Every Thursday our Fareshare offers a variety of food at very low prices to support all families in our community. The Fareshare shop runs from the Parents Hub near the KS2 playground and opens at 1:15pm and closes at 3:15pm. If you are interested please remember a mask, your money and a bag. I am sure you will be surprised at the big brands we have available. This week it included Capri-sun drinks, Crème Eggs (6 for £1) as well as regulars like mushy peas and tomato soup.

Parent Helpers

We would like to encourage more children to read and we would love to have the support of any parents who would be willing to give up an hour a week to hear some of our children read. If you think you would be interested in supporting the school, please could you contact the school office for further details.

PGL Parents' Evening

Finally, we are able to take Year 6 on their residential trip to PGL at Caythorpe Court in Lincolnshire. We have arranged a Parents' meeting over Monday and Tuesday next week. It is important that all parents attend the meeting as we will be giving out and collecting important information. We ask that all adults who attend wear a mask for the meeting. If you do not have a mask, you will be issued with a mask as you enter the school building.

Free School Holiday Club

Attached are the details of the free school holiday club. If your child would like a place please return the booking form to the school office no later than 2pm on Friday 21st May. The club is free of charge and places are limited and will be allocated on a first come first served basis.

Attendance

As school is now 'business as usual' we will be monitoring pupil attendance very closely. Watch out for our Attendance Newsletter which will have lots of tips and advice to improve attendance and details of incentives that will be happening in school.

Coronavirus Awareness

Unfortunately, despite the vaccine programme the risk of catching coronavirus is still high and the Doncaster region has one of the highest levels across the country. Therefore, we ask that parents continue to take care and wear a mask when they are on the school site.

Sun Awareness

As the weather turns warmer, we ask parents to think about protecting their child from the sun. Unfortunately, staff members are not allowed to apply any sun cream so we recommend parents apply sun cream to their child in the morning before they come to school. They may wish to give their child a NAMED sunhat to wear at lunchtime. Children will not be allowed to wear sunglasses at school because of the risk of injury when they are playing.

Water Bottle

We would like to ensure that all children are provided with a NAMED water bottle for them to drink from during the day. It is important for children to stay hydrated throughout the day by drinking regularly and with the risks of Coronavirus, it is essential that children do not share water bottles or cups.
