### ADVICE

As part of the attendance monitoring, when your child's attendance is a concern, a meeting is arranged with myself. It is important you attend these meetings as these are part of the process of support. In addition to these meetings, I will also start making home visits to see if there is anything we can do to help.

### Year 3 Challenge

I have set Year 3 a challenge. Every child that has 100% attendance from Monday 21<sup>st</sup> June to Friday 25<sup>th</sup> June will receive a treat. Help your child receive this treat by ensuring they are in school every day. Good luck Year 3
