

3rd December 2021

Dear Parent/Carer,

We would like to invite you to a Foundation Stage Christmas sing along on the 15th of December at 11.20am. This will be in addition to the whole school Christmas Carol performance on the 17th December at 1.00pm. Please, make sure your child comes to school on this day in their party clothes, but also ensure they bring warm clothing such as hat, scarf and gloves for the outdoor sing along. We will also be holding a tombola and cake sale to raise funds for the outdoor area after the children have sung.

We are really excited to see you all, to join in with this festive event with the children.

Yours truly

Foundation Stage Staff
