

## Marshland Moments

Dear Parents/Carers,

One of our Marshland Moments in Foundation 1 is to have a dress up day. As our topic this term has been 'Our Nursery Can Rhyme' we thought that it would be great to dress up as a nursery rhyme character. The children can come to school in their costume on **Wednesday 29<sup>th</sup> March**. They will take part in nursery rhyme related activities as well as enjoy some Easter treats.

We have added some photos below to give you some ideas for homemade costumes. We can't wait to see which character you choose!

We would like to perform some of the Nursery Rhymes that we have been learning and so would love you to join us on that day at **11.30am** so we can show you how amazing we are! We look forward to singing some of our favourite rhymes to you. We will also be holding a tombola on that day as we are raising money to continue developing our outdoor area.

Thank you for your continued support.

Foundation 1 Team
