

Dear Parents and Carers,

RE: Tapestry account

**This letter is only applicable to parents of current Year 1 children**

Last year, in Foundation Two, we used Tapestry as a way to document your child's learning. Throughout the year your child will have brought some of that learning home (e.g. paintings, pictures, writing).

As the children have now moved into Year One we will be deactivating their Tapestry account in order to add the new Foundation children on. If you have any queries about this please contact the office before Tuesday 26<sup>th</sup> September.

Kind regards,

Marshland Primary Academy
