

Dear Parents,

**Year 5 Space Centre Trip
Tuesday 26th September 2023**

To help the children with their science topic this term on Space we have arranged a visit to The Space Centre in Leicester.

The visit will be on **Tuesday 26th September**. Due to the distance of the Space Centre, your child needs to be at school **8am as the coach will leave promptly at 8.15am**. The children will arrive back for 3.15pm. We ask that your child wears sensible footwear and brings warm clothing as well as a waterproof coat. They will be expected to wear normal school uniform on the day. Children will also need a packed lunch. If your child is entitled to free school meals, and requires school to provide a packed lunch, please inform the school office no later than **Monday 18th September 2023**.

The cost of the trip is £37.77 per pupil but we will subsidise this to reduce the cost to parents to £20.00 per pupil. This must be paid on Parentmail no later than **Monday 18th September**. To help with the cost of this trip, you can now pay instalments on Parentmail, however the full amount must be paid by the **18th September**. Parental voluntary contributions will be welcomed for this trip. The school reserves the right to cancel the trip should it consider that the net cost after taking into account voluntary contributions, is uneconomic.

Yours sincerely,

Mrs S Hall
Executive Head Teacher
