

Marshland Moments

Dear Parents/Carers,

One of our Marshland Moments in Foundation 1 is to have a dress up day. As our topic this term has been '999 Emergency' we thought that it would be great to dress up as a 'person who helps us.' For example, a policeman, paramedic, nurse, doctor, firefighter, lollipop lady, dentist, teacher etc.

The children can come to school in their costume on **Wednesday 20th March** and will take part in some fun activities based around the topic. We can't wait to see what they choose to dress up as!

Thank you for your continued support.

Foundation 1 Team
