

Dear Parents/Carers,

We would like to celebrate all of the amazing fathers, grandads, uncles etc in our children's lives by inviting them to a Fathers' Day event. We would love you to join us and spend time with the children to engage in some planting activities. As this is one of our Marshland Moments we will take care of the plants and watch them grow following this session.

This will take place on **Tuesday 11th June** at 9am-10am.

We look forward to seeing you!

Foundation 1 Team
