

Dear Parent/Carer

To help with our science topic on electricity and our geography topic on the environment, Year 6 will be taking part in a visit to Drax Power Station on Tuesday 12th June 2024

The coach will leave school at approximately 9am and return to school by the end of the school day. The children will need a packed lunch and a drink (No fizzy drinks please). If your child is entitled to free school meals and requires a school packed lunch, please inform the school office no later than **Wednesday 22nd May**. The children will also need to wear school uniform and will need a waterproof coat and suitable shoes.

To help you with the cost of the coach we are asking for a voluntary contribution of £10.00 towards the cost of the trip. Parental contributions will be welcomed for this trip. However, the school reserves the right to cancel this trip should it consider that the net cost after taking into account voluntary contributions is uneconomical. Payment should be made via the Parentmail app no later than **Wednesday 22nd May 2024**

Thank you for your continued support

Mrs S Hall
Executive Head Teacher
