

Dear Parents,

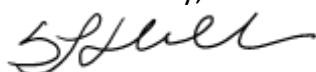

Wonderdome Inflatable Planetarium Experience

To help the children with their science topic this term on Space we have booked an inflatable Planetarium Experience. The Space Dome is a large inflatable dome, where the children sit inside and watch moving images and videos. The Space Dome will give the children an opportunity to see space all around them. They will learn about the solar system, planets and moons.

The experience will take place in school on Wednesday 27th November, during the school day. Children from Year 5 at Brooke will also join in the sessions.

To help with the cost of this very exciting experience we ask for a £5.00 contribution. This must be paid on Parentmail no later than **Friday 22nd November**. Parental voluntary contributions will be welcomed for this experience. The school reserves the right to cancel the experience should it consider that the net cost after taking into account voluntary contributions, is uneconomic.

Yours sincerely,

Mrs S Hall
Executive Head Teacher
