Dear parent/carer

Due to rising costs, and to ensure we can continue to provide a quality meal and adequate childcare, the price for MASH (Marshland After School Hub) will increase.

Therefore, from the 1st November the price will rise form £4.00 per child per session to £5.00 per child per session.

This decision has not been taken lightly but is necessary to ensure we can continue to provide this provision.

Thank you for your continued support

P Marshall
